### PET MEALS ON WHEELS 2011

As a community service, the Patton Veterinary Hospital has initiated their 6th annual Pet Meals on Wheels Drive. The Patton Veterinary Hospital has joined forces with the Red Lion Senior Center and the Meals On Wheels program to help raise pet food and other pet-related items for those in need who have animal companions. We will be accepting donations at the hospital November 1st through December 16th in order to get the items distributed in time for the upcoming holidays. All those with donations can bring them

to our office during the hours of 9AM-7PM Monday through Friday, and 9AM-1PM on Saturdays. We need your help to make the holidays pawsitively special.

For additional information please contact call 717-246-3611.
